March 2017

WALK WITH A SCHOLAR

Report 2016-17

Walk With a Scholar (WWS) program is aimed to provide specialized mentoring for meritorious students in the under graduate program in Arts, Science and Commerce for their future endeavors. The scheme intent to give students the orientation to prepare themselves for employment and give necessary guidance, motivation and mental support to identify appropriate areas for higher education and employment. The program includes internal mentoring, external mentoring, conduct of mock tests, and distribution of study materials, stationary kit and motivational visit to institutes of national reputation.

Fifteen faculty members selected as internal mentors are engaging motivational class for the ninety students selected under the WWS program (thirty each from first, second and third degree course respectively). Following is the list of internal mentors and the class wise list of mentees.

The external mentoring session started with the class by Assistant collector of Palakkad, Sri. N. S.K. Umesh IAS. He shared his experience with the students on the preparation and strategy for clearing the civil service exam. He emphasised the need to read news papers and periodicals to update the knowledge on current affairs. He also narrated how to get prepared for the preliminary and the mains exam. He also shared his experience in facing the interview. The wws team expressed their sincere thanks to sri. N.S.K. Umesh to accept our invitation, amidst of his busy shedule, to engage the external mentoring session. He expressed his wish to contribute the remuneration to the welfare of the school childrens at Attapadi tribal village.

Sri N.S.K Umesh, Assistant Collector, Palakkad in an external mentoring session

Students interacting with Sri. N.S.K Umesh, Assistant Collector, Palakkad

A view of the audience and student interacting with Sri. N.S.K Umesh, Assistant Collector, Palakkad

Dr. B. Jayakumar, MD, DM, DNB taking external mentoring class

The second class was by Dr. B. Jayakumar, eminent cardiologist and healthcare expert. He narrated the ill effects of the modern life style especially the food habits and particularly the use of fast food and soft drinks. He explained the side effects quoting many clinical cases he has treated. Many of the health problems younger

generation facing are caused by the over consumption of high calorie and fat containing food and the lack of exercise. He advised the students to stick to homely food and regular exercise to have better health.

WWS team at School of Environmental Science, Kochi

WWS team at B M Birla Science Centre, Hyderabad

We thank the Principal, faculty members, students and the office staff of Government Victoria College, Palakkad for the whole hearted support in implementing the program. We also thank the Dr. Rajoo Krishan and Mr. Vysakh R. A of the Office of the New Initiatives in Higher Education, Kerala for their guidance and support during the course of the program.

Palakkad

Dr. G. Ambadas
