

## Walk with a scholar 2019-20 REPORT

The activities of the WWS has been started in our college in the month of June,2019. A cluster meeting was conducted in July, 2019 in which training in mentoring has been given to new mentors. According to the decision taken by the state level meeting five mentors from five departments were taken with six mentees of their departments for smoother conducting of the programme. The same was ratified by the college council and WWS monitoring committee. The coordinator attended another state level meeting on 21.08.2019, in which a schedule for the conducting of programme has been provided.

The internal mentors started their sessions according to the schedule provided. The external mentoring sessions were started in November. The first session was delivered by T V Rajesh, soft skill trainer on 2/11/ 2019. His session was on self awareness, SWOT analysis and goal setting. The session was meant for the first year mentees. The session was great success with student's interaction and activities. The same resource person presented another session on 7/12/2019 for the second year students. The topics were soft skills and presentation skills. The session was welcomed by the students with their interaction with resource person.

The third and fourth sessions were presented by Dr.Praseedha .G , Assistant Professor of Mercy College, Palakkad on 14/12/19 . In the morning session she presented the topic and made the students to practice how to review a book. The session was meant for the first year students. In the afternoon session she trained to students on the topic how to review a research article.

The next session was presented for the first year students, on 31/12/19 by Arathy Asok on the topic Gender Sensitization. It was 1 ½ interactive session. Arathy Asok is a writer, activist and Assistant Professor in English in Government Victoria College, Palakkad.

The next was a two hour session for the first year students with M T Rajagopalan, former scientist at Bhabha Atomic Research Centre and present principal professional technical professional at Wood plc, Melbourne. The session was on 18/1/2020. The session was lively with curious interaction by students. The session was based on the topic interaction with a scientist.

On the same day afternoon another session was delivered by Ramla P Guest Lecturer at Government College, Pathirippala. She spoke on the topic Understanding Indian Constitution and Democratic values. The session was enriched by the interactive mood of the students. The session was meant for the first year students.

On 10/2/2020 Arathy Asok interacted with the students on the topic environmental sensitization. It was an 1 ½ session with the second year students.

The next session was presented by M U Praveen, a well known theatre person and writer. He delivered a lecture and trained students on Art and Self Development. The session was on 7/2/2020 meant for the first year students. The session was highly interactive and activity oriented.

Dr.Arun Kumar of 24 News Channel spoke to the students on two different topic on 22/2/2020. In the morning he interacted with students as a social science academic on the topic Development of

scientific temper. In the afternoon he interacted again with the first year students as an academician and answered to diverse queries from the curious students.
