

CIVIL SERVICE COACHING AT GOVERNMENT VICTORIA COLLEGE, PALAKKAD

ANNUAL REPORT:-2018-2019

As per the council decision, it was decided to conduct civil service coaching for the students of the college. The event was inaugurated by Balamurali IAS, District collector, Palakkad on 31-10-2018. The rest of the session was handled by Asif.K.Yosuf to deliver a comprehensive talk about various nuances and techniques of civil service examination. He detailed his own experiences as part of cracking the examination. The class very much motivating and inspiring. A total of 99 students spanning from first degree to post- graduate students registered for the coaching. The class began on 14-1-2019. The avowed objectives of the coaching were

1. To instil a kind of inspiration among students on realizing their ambition of qualifying civil service examination.
2. To equip students to appear for competitive examinations and fine-tune their learning strategies and thereby develop a flair for learning.
3. To inculcate a feeling of morality, ethics and peer group behavior among students.
4. To enable them an ideal platform for reference
5. To realize their potential and bring it out without fear.
6. To teach students about management of time

ANNUAL REPORT: - 2019-2020

As a sequel to the civil service coaching for the year 2018-2019, the second leg of coaching at the college was also started with much fanfare. The inauguration of the coaching for the year 2019-2020 was held on 02-08-2019 by the Assistant Collector, Palakkad Chetankumar Meena IAS. He meticulously detailed the tips to win the examination without shortcuts. He was of the opinion that hardwork seldom went unrewarded and with sheer diligence and clarity of thought, one could win one of the toughest and much – sought examinations in India. Describing his own experience, he was proud of the fact that he could clear the exam in the first attempt and that even though he was a mathematics graduate, his main paper was Hindi language. It bore testimony to the fact that our interest in the subject coupled with hardwork would help us realize our ambition. He even interacted with Kavitha, a blind student of M.A History of the college and gave impetus to clear the exam. It was, altogether a refreshing and intellectual experience for the students.

USE OF LIBRARY

As part of providing an enabling environment for the aspirants of civil service, a civil service cell was constituted exclusively at the general library. The students at large, after their regular class keep themselves absorbed at the library for preparing for the examination. A good number of books exclusively for catering to the requirements of the students are plentifully available and they are being provided to the students both for reference at the library and at home. The civil service corner is also a befitting platform for the intellectual discourse and exchange of ideas with the faculties also.

In a nutshell, civil service coaching provides an excellent platform for the students to equip and empower them to materialize and cherish their dream of qualifying the most prestigious and difficult examination conducted by UPSC.
